QUALITY ASSURANCE

Beckham Brothers Hardwood Floors are manufactured to the highest quality control standards in the industry. Every batch of Beckham Brothers flooring goes through 14 rigorous testing standards to ensure the quality of our Floors. Through the entire manufacturing process, we have Quality Assurance checkpoints in place to confirm the superiority of our Floors. The final step in our Quality Assurance process, is a rigorous third-party test by an independent ISO certified lab to re-confirm that our 14 quality standards have been achieved. We will not leave any stone unturned to ensure our promise to manufacture the perfect Hardwood floor.

LIFETIME STRUCTURAL WARRANTY

Beckham Brothers warrants our Hardwood Floors to be free from milling defects and delamination for the lifetime of the floor. Any damage due to improper transportation, storage, handling, installation, job site conditions or any other cause, is not covered by this warranty. As per industry standards, Beckham Brothers reserves the right for a 5% defect allowance, which is not covered under this warranty.

Wood is a natural product; it will expand and contract with changes in temperature, relative humidity and changes in seasons. Small amounts of gapping will occur in the width and length of the flooring boards. This is not a product defect.

Relative humidity in the home must be maintained between 25% to 55% throughout the year to validate the Lifetime Structural Warranty on your Beckham Brothers Hardwood floor. If necessary, humidification and/or dehumidification equipment should be employed to achieve the required humidity conditions and to minimize movement of your Hardwood floor

NOTE: During preparation and installation of the floor, all installations must adhere to the instructions and information found in the Beckham Brothers Installation Guide document.

NOTE: The Beckham Brothers Product Warranty will be applicable on Hardwood Floors if National Wood Flooring Association (NWFA) Installation Guidelines are followed when installing the floor.

IT IS THE RESPONSIBILITY OF THE CUSTOMER TO INSPECT ALL PIECES OF FLOORING FOR DEFECTS PRIOR TO INSTALLATION.

FLOORING THAT HAS BEEN INSTALLED WILL BE DEEMED TO HAVE BEEN ACCEPTED BY THE CUSTOMER AND WILL NOT BE ELIGIBLE FOR REPLACEMENT.

Beckham Brothers accepts no responsibility for labour, or out-of-pocket costs incurred to remove or install products.

Installations over Radiant Floor Heating systems can put excessive stress on the structural integrity of your new Hardwood floor. Certain precautions must be strictly adhered to. Please refer to the Installation Guide for more information about installing over Radiant Heating systems. If necessary, humidification and/or dehumidification equipment should be employed to achieve the required site conditions.

Please refer to the NWFA website guidelines for specific information. <https://www.nwfa.org/nwfa-wood-flooring-guidelines.aspx>

1. The heat provided by the Radiant Floor Heating system must never exceed 29° Celsius / 85° Fahrenheit at the floor's surface.
2. Introduce gradual heating over the course of several days whether turning on in-floor heating for the first time or after being off for an extended period.
3. The maximum difference between the moisture content of the flooring and subfloor must never be more than 2% at time of installation as per the NWFA Guidelines.

35-YEAR RESIDENTIAL WEAR WARRANTY

Any claim on the 35-Year Wear Warranty must be easily noticeable and cover at least 20% of the total floor area for a claim to be considered.

Beckham Brothers warrants to the original purchaser that, under normal residential conditions, the finish wear layer of Beckham Brothers Hardwood flooring will not wear through or peel from the wood for a period of thirty-five (35) years from the date of purchase by the original purchaser.

Regular maintenance outlined in the Beckham Brothers Maintenance document must be followed in order to validate this warranty. This warranty is available to the original purchaser only and shall be limited to the repair, refinishing or replacement of the defective material. If the product cannot be repaired, refinished or replaced after a reasonable number of attempts, Beckham Brothers will, upon request, refund the original purchase price of the defective floor on a pro rate basis. Any attempt to repair, refinish or replace the defective product prior to inspection by Beckham Brothers or its appointed agent will invalidate this warranty.

Beckham Brothers may, at its sole discretion, elect to refund to the customer a portion of the original purchase price equivalent to the value of the defective portion of the floor. Under no circumstances will the value of a warranty claim exceed the original purchase price of the product.

WARRANTY EXCLUSIONS
